APPLY FOR A UNITED WAY COMMUNITY GRANT

United Way of Western Nebraska Application for July 1, 2023 to June 30, 2024 Funding Guide

Thank you for your interest in applying for United Way of Western Nebraska (UWWN) funding and becoming a United Way partner agency. This document will help guide you through the application process. You can find additional information and submit your application online at uwwn.org/grant.

Community Impact

For more than 75 years, United Way has fundraised for and invested in the Western Nebraska community area. With more than 1490 donors and 250 local volunteers annually and over \$13 million dollars raised since inception, we continue to bring incredible people together to make positive community change. We fund health and human service programs that impact the areas of Health, Education and Financial Stability. We use data to understand the biggest needs that exist in our community and the effectiveness of our funded programs to impact that need. Because we use data to guide our investment decision-making process, we require our funded partners to report on the outcomes of their programs annually. These reports, in addition to other community level data, inform the way we fund.

Priority Areas

UWWN focuses on identifying the issues impacting the community in the areas of health, education and financial stability. Services provided by the organizations must:

- Promote healthier lives, better education or financial stability, provide for and contribute primarily to human care and health needs operating and serving individuals in health, welfare, recreation, youth-guidance and/or character building field.
- Be targeted toward an identifiable population and within the UWWN service area.
- Improve the well being of individuals, groups or communities through the provision of services which are appropriate for UWWN support.

Funding Requirements

United Way is seeking program applications for a **grant funding cycle** beginning **July 1, 2023 through June 30, 2024**.

Partners receiving an investment from UWWN must meet certain requirements, and sign a Partner Agreement included in the application. Partners receiving UWWN investments are required to submit a Mid-Year Report online by **December 31, 2023** and a **final grant report of the funds received must be submitted by no later than July 31, 2024.**

Programs must meet the following requirements to be considered:

- Must provide health and human services in Banner County, Box Butte County, Cheyenne County, Dawes County, Deuel County, Garden County, Kimball County, Morrill County, Scotts Bluff County, Sheridan County, Sioux County in the State of Nebraska or Goshen County and/or Platte County in the State of Wyoming.
- Must be a current 501(c)(3) organizations.
- Must be an existing organization with an established Board of Directors or defined governing agency that meets at least 4 times per year.
- Must allow members of the United Way Board of Directors to review accounting records if requested.
- Must have a written mission, goals and objectives.
- Must be an agency currently in existence and currently providing services in our community.
- Must be willing to sign the agency agreement.

If you meet the above criteria, we welcome you to complete the application for funding for the 2023-2024 fiscal year.

With the increased need for services by all agencies, we continue to look closely at our opportunities for community investment and the impact they have on our community and its residents. In the application, each agency must provide details on the Outcome and Impact of the program for which you are seeking funding. We must measure results of the invested dollars and provide optimum value of service delivery to our community.

October 1-November 30 is essential to United Way of Western Nebraska's annual campaign and in accordance with # 8 of the Agency Agreement, we strongly encourage agencies to refrain from fundraising during this period. While United Way funding agencies are no longer prohibited from fundraising during this period, please note that any monies raised during this time will be taken into the amount awarded for your agency. Fundraisers may impact the United Way campaign and not only effect the amount of your agency's grant award, but the monies available for other agencies.

Interviews

UWWN recognizes the value and importance in providing the space and opportunity for programs collaborations to share their story and positive impact to support investment decisions. UWWN, Box Butte and Dawes Counties applicants selected by our volunteer reviewers will be invited for an interview on the dates noted on the previous page. UWWN requests that agency lead staff, program staff, and a Board Member from the agency attend the interview.

Strong interviews will:

Show consistency with and expand on the application

Provide insight into the why you do what you do & motivation for serving community

Speak directly to how a UWWN investment would enhance/support services
